THE ORGANISERS

CMS is an independent professional forum engaged in research, policy advocacy, advisory services and programme evaluation. CMS endeavors for accountability, responsiveness and transparency in policy making in public systems and services. Over the past 17 years, CMS has emerged as an inter-disciplinary professional body with a wide range of concerns and capability in areas of communication studies, social research, social development, environment, public opinion research, training and performance appraisal. CMS initiatives in regard to regulatory framework, including for the environment, social sector and media, are well known. CMS is well known for its survey methodologies and field research, both qualitative and quantitative, including large-scale national studies. CMS operates through specialized teams of professionals with multidimensional expertise. The teams are CMS environment, CMS Social, CMS Communication, CMS Academy and CMS Polls.

CMS VATAVARAN film festival is yet another well known endeavour over the past four years.

www.cmsindia.org

Manthan Yuva Sansthan is Non Governmental Registered Voluntary Organisation based in Ranchi, Jharkhand. Since its inception the main thrust has been upon "Creation of an environment where people enjoy opportunity for their wholesome development". The organization Mission has been promotion of greater equity and justice in society, ensuring a sustainable livelihood and Creation of an opportunity to lead a life of dignity and self respect. In last five year Manthan has collaborated with, NFI, British High Commission, PACS-DA Delhi, VSO-UK, FES India, Charkha, NCSTC, NCAS-Pune and several governmental and nongovernmental agencies.

The Department of Forests and Environment, Government of Jharkhand has taken up various schemes to conserve and protect the forests and wildlife; boost social and economic development in rural areas; rehabilitate the degraded and open forests; and to bring additional areas under tree cover to attain the milestone of one third area under forest cover. The first Elephant Reserve of the country was notified in Jharkhand in 2002.

The Vision statement of the Forest & environment Department of Jharkhand is:

**"Green Jharkhand, Clean Jharkhand
Rich Jharkhand, Strong Jharkhand"**
