Media Roundtable

Reshaping the future of Environmental Journalism: Issues, Challenges and Way Forward!

Backgrounder: Media operations depend on profit driven economics. Many news editors and producers consider coverage of environmental issues as yet another option instead of an obligation and to make a difference for the future. In this context the future of environmental journalism looks bleak, and to bring it back to life CMS Environment is organising a media roundtable in Jaipur.

Chair: Dr S S Choudhary, Chairman, Rajasthan Biodiversity Board

Key Speakers : Shri Harsh Vardhan, Environmental Volunteer | Shri K B Kothari, Managing Trustee, Pratham Rajasthan | Shri Narayan Bareth, Journalist, BBC Jaipur | Shri Rajan Mahan, Resident Editor, NDTV Rajasthan | Shri Sukumar Verma, Deputy Editor, Rajasthan Patrika | Shri Vinod Bhardwaj, Feature Editor, Dainik Bhaskar

Time: 02:30 pm- 04:00 pm

Venue: Centre of Mass Communication, University of Rajasthan, JLN Marg, Jaipur

For more information or registration contact:

Ms Deepti Roy – 098990 46592, deepti@cmsindia.org

Ecotour: Healing the Forest

***Participants:** College Students/ School Students/ Partner Organisation officials & their family members

Format: Field Visit will comprise of expert talk, demonstration and hands on experience

Time: 10:00 am – 05:30 pm (Registration will begin at 09:00 am)

Venue: Jhalana Forest, Jaipur

Start and End Venue: Conference Hall, Department of Lifelong Learning, University of Rajasthan, JLN Marg, Jaipur

For more information or registration contact:

Mr Sanjay Negi – 095822 54618, sanjaynegi100@gmail.com

September 06-07, 2012 (Thursday-Friday)

Green Filmmaking Workshop

Background: The two-day long filmmaking and editing workshop on the theme 'Biodiversity Conservation' aims to teach basics of filmmaking. The workshop will be conducted by Mr Vijay Bedi, an eminent environment and wildlife filmmaker. The workshop will provide best of all worlds i.e. focussed learning, hands-on-film shoot and an opportunity to make a fully realised film.

Time: 10:00 am – 05:30 pm (Registration will begin at 09:00 am)

Briefing & Editing Venue: Center for Mass Communication Studio, University of Rajasthan

Film Shooting Venue: Smriti Van, JLN Marg, Jaipur

For more information or registration contact:

Mr Sanjay Negi – 095822 54618, sanjaynegi100@gmail.com

Kindly Note: Teachers and guardians are requested not to accompany their students/ wards.

September 07, 2012 (Friday)

Panel Discussion on Challenges to Biodiversity of Rajasthan from Climate Change

Background: The panel discussion forum being organized by the CMS Environment aims to synthesize the latest knowledge on the subject of biodiversity and climate change. The discourse will be to assess the possible impacts of climate change on the biodiversity in the state of Rajasthan. It will also reflect on the possible measures of mitigation envisaged and implemented by the planners, policy makers, government departments and others.

Chair: Shri K K Garg, Member Secretary, Rajasthan Biodiversity Board

Moderator: Shri B K Sharma, Regional Team Leader, Foundation for Ecological Security (FES)

Key Speakers: Dr Brij Gopal, Coordinator, Centre for Inland Waters in South Asia and Vice President, National Institute of Ecology | Dr D N Pandey, Member Secretary, Rajasthan State Pollution Control Board | Dr M S Rathore, Director, Centre for Environment and Development Studies (CEDSJ)

Time: 03:00 pm – 04:30 pm

Venue: Conference Hall, Department of Lifelong Learning, University of Rajasthan, JLN Marg, Jaipur

For more information or registration contact:

Ms Deepti Roy – 098990 46592, deepti@cmsindia.org

FESTIVAL SCHEDULE

DEHRADUN: July 30-August 4

JAIPUR: September 3-8

GOA: October 1-6

HYDERABAD: October 9-18

KOLKATA: December 3-8

Why this Schedule?

The year 2012 will see India hosting a very important meeting relating to the United Nations Convention on Biological Diversity (CBD) - the 11th Conference of Parties - at Hyderabad, from October 8-19.

This meeting is very important because it is the first conference of the CBD process after the United Nations declared 2011 to 2020 as the 'Decade for Biodiversity'.

Hyderabad CMSVATAVARAN Biodiversity film festival and forum, incorporating the best of world's biodiversity films, will be one of the important event for the delegates of CoP-11.

These facts are hardly known outside environmentalist circles. CMS VATAVARAN wants to change that.

Purposive platform

Who can participate to make the CMS VATAVARAN travelling film festival a success? **Everybody else, and you.**

Development Sector

- ▶ Organisations working on environment and sustainable development, climate change, livelihoods, ecotourism, natural heritage, energy, water, agriculture and sustainable technologies.

Corporate Sector and Industries

- ▶ Industries in the areas of power, renewable energy, water, waste management, transport, food grains, tourism, film and television, carbon trading, real estate and buildings.

Government – Central and State

- ▶ Pollution control boards, municipal corporations and councils, state councils for science and technology, forest, environment and wildlife departments, etc.

Filmmakers

- ▶ Local, regional and national filmmakers from the fields of science, natural history and conservation filmmaking.

Media

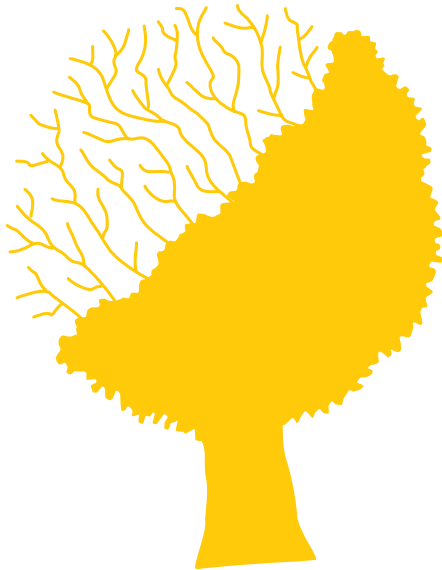

- ▶ Regional, national and international journalists from print, electronic and new media.

Educators

- ▶ Teachers, professors, researchers, principals and vice chancellors.

Students

- ▶ Mass Communication, journalism, environmental sciences, engineering and management.

About the Organiser

CMS is a multi-disciplinary, research and facilitative think-tank. We endeavor to work towards equitable development and transparency in governance through research, advocacy and capacity building. www.cmsindia.org

The **CMS Environment Team** has been involved multifariously in policy research and programmes evaluation aimed at creating sustainable solutions for environment protection. The team's thematic focus is on climate change, low carbon practices, biodiversity, conservation and livelihoods, sustainable eco-tourism, drinking water and sanitation.

India's premier film festival and forum on wildlife and environment, **CMS VATAVARAN** is an initiative of the eclectic CMS Environment Team.
