HYDERABAD ReGeneration FORUM 2026

02 DECEMBER 2026 • TARAMATI BARADARI, HYDERABAD

FROM SUSTAINABILITY TO REGENERATION

Sustainability asked us to do less harm. Regeneration asks us to actively restore.

India is facing climate disruption, biodiversity loss, water stress and growing inequality. At the same time, communities, practitioners, innovators, educators, businesses and public institutions are developing approaches that restore nature while strengthening livelihoods, resilience and inclusive prosperity.

The opportunity is to connect what is already happening — make it visible, enable learning, build partnerships and help promising solutions move further.

THE REGENERATION FORUM

A platform to build India's emerging regeneration ecosystem — connecting stories, ideas, practice, leadership and resources into collective action.

WHY CMS VATAVARAN?

For over two decades, CMS VATAVARAN has connected storytelling, environmental action and public engagement — linking storytellers, policymakers, researchers, communities and change-makers.

Storytelling → Dialogue → Solutions → Collective Action

The Forum is held alongside the 14th CMS VATAVARAN International Film Festival — where stories inspire action.

CMS VATAVARAN also serves as the Secretariat of **IUCN #NatureForAll** (2026–2029), connecting India with **600+ partners** across **90+ countries**.

THE QUESTIONS THAT MATTER

Exploring the Idea Shaping Regeneration

- **WHY REGENERATION?**
The case for a regenerative future for India.
- **WHAT WORKS?**
Curated stories of practical regenerative solutions from across India.
- **HOW DO WE SCALE?**
A Solutions Lab to address real challenges and unlock pathways to scale.
- **WHAT CAN WE COMMIT TO?**
Partnerships, resources and next steps for action.

THE EXPERIENCE

- **ReGeneration Dialogue**
High-level conversations on why regeneration matters now.
- **ReGeneration Showcase**
Practical initiatives and approaches.
- **Solutions Lab**
Hands-on collaboration around real challenges.
- **Partnership & Commitment Space**
Connecting people, resources and opportunities.

PARTNER FOR REGENERATION

AN INVITATION TO PARTICIPATE

The ReGeneration Forum is being built through many partners contributing in different ways. We invite organisations to bring funding, expertise, networks, resources or in-kind support.

WAYS TO PARTNER

₹10 LAKH | REGENERATION PARTNER

Enable a major component such as the Solutions Lab, ReGeneration Showcase, youth engagement or a thematic dialogue.

₹5 LAKH | ACTION PARTNER

Support a focused element such as regeneration stories, youth participation, knowledge documentation, public engagement or a curated session.

IN-KIND | CONTRIBUTION PARTNER

Contribute through technology, production, travel, hospitality, media, design, research, communications or expertise.

STRATEGIC / CO-CREATION PARTNER

Co-design a partnership aligned with your organisation's mandate, geography, constituency or challenge — extending beyond the Forum where relevant.
